# Institutional-grade Crypto and Fiat trading

DeFinity is built on institutional-grade technology offering unprecedented digital assets market access to globally leading Financial Institutions seeking to diversify their portfolio. The DeFinity management team has applied decades of traditional financial markets knowledge to create the DeFinity ECN with direct market access.

## Crypto product coverage

BTC

ETH

USDT

USDC

MATIC

## Fiat deposit/withdrawal currency coverage

## Deliverable FX cross-currency coverage

Through our parent company DMALINK, we provide access to liquidity and depth of up to twelve levels in the FX Spot market with the capability to fill trades across 60+ CLS and non-CLS currency pairs in large tickets and during times of market volatility.

For full cross-currency coverage, visit [dmlink.com/market-coverage](https://dmlink.com/market-coverage)

## Settlement

Crypto-to-crypto trades are settled within minutes of receipt of cleared assets using Fireblocks or any client-specified and white-listed wallet. Fiat settlement can be made typically on the same day (T+0) subject to bank cut-off times without size restrictions, subject to due diligence and KYC criteria.

All trades are settled on a DVP basis.

## INVESTMENT RISKS

There are risks associated with investing in securities. Investing in stocks, bonds, exchange-traded funds, foreign exchange, precious metals, mutual funds, money market funds, and digital assets involves a risk of loss. Loss of principal is possible. Some high-risk investments may use leverage, which will accentuate gains & losses. Investing involves special risks, including greater volatility and political, economic, and currency risks and differences in accounting methods. A security's or a firm's past investment performance is not a guarantee or predictor of future investment performance.

DeFinity Markets Ltd. trading services, liquidity solutions, and advanced algo execution tools are only available to those meeting the Professional Clients definition in the EU Markets in Financial Instruments Directive ("MiFID II") and in compliance with local law and regulation.

DeFinity Markets Ltd. does not provide any of its services or solutions to retail clients as categorised under (MiFIDII).

Orders submitted on the platform are subject to our Terms and Platform Agreement, available at [www.definitymarkets.com/agreement](http://www.definitymarkets.com/agreement)
